An Evening with Cormac Russell

Thursday March 12, 2020
6:00pm - 9:00pm
Santa Maria Goretti Centre
11050 90 St NW

Join us for an evening with Cormac Russell, Managing Director of Nurture Development, Ireland, UK, Global. Cormac is an author and Asset-Based Community Development specialist who invites

communities to revisit the role of public services and explains how an assets approach can improve community health, safety, and economic and environmental well being.

This interactive evening will centre around his call to have a community conversation where participants "Imagine a world where every institution, whether within the spheres of commerce, government, or civil society, had an active policy to reduce dependence on their service, by increasing interdependence in community life." This session is a must-see for community organizers, neighbourhood leaders and those who wish to be a part of building caring and vibrant neighbourhoods.

A light meal will be served. Seating is limited. [RSVP through Eventbrite](#).

PUBLIC ENGAGEMENT

[Accessibility for People with Disabilities Policy](#)

After extensive public engagement with citizens with disabilities in 2019 for Policy C602, the City of Edmonton is committed to continuing to enhance City infrastructure, civic engagement, employee services, communication, technology, programs and services by identifying, removing, and preventing barriers that limit their social, political, cultural and economic inclusion. Please provide your feedback about the accessibility of our programs and services through the [Accessibility Policy Engagement Survey](#).

[Public Washroom Pilot](#)

The City of Edmonton recognizes the need to provide access to safe and clean washrooms to the public. The City is working on a citywide Public Washroom Strategy to improve access, user experience and management of existing public washroom facilities. Please provide your input through the [Public Washroom Survey \(Open until July 11, 2020\)](#).

CITY RUN PROJECTS & PLANS

- Visit the above link to learn more about City run projects and plans. Included are updates on Blatchford, The Yellowhead Trail Freeway Conversion, Queen Elizabeth II Planetarium Restoration, and Groat Road Bridges and Road Renewal Project, among others.

BUILDING EDMONTON

- This [web-based guide](#) was developed to help inform residents and businesses about planned infrastructure projects across the city. It is a snapshot of current major infrastructure projects in concept, design or being built by the City.
