News and	Did you hear? The new Zoning Bylaw is in effect!	Check out
Updates		edmonton.ca/ZoningBylaw for
	Hey, Edmontonians! We're thrilled to announce that our	one-pager breakdowns, a
	city has a new Zoning Bylaw in place. This is a big step	map, videos and more!
	forward in shaping Edmonton's future. 🥕	
	Now does zoning impact you?	
	Whether you're a homeowner, a business owner or	
	someone with a dream construction project in mind $igtriangle$,	
	the new Zoning Bylaw affects what can be built where.	
	🙌 We Want You To Be Informed!	
	We've created resources to help you learn more about	
	what's changed and what it means for your property, your	
	neighbourhood and our city.	

News and	Join the hundreds of thousands of Edmontonians	For more information, visit:
Updates	already using the WasteWise app to view waste	edmonton.ca/WasteWise
	collection schedules, get collection day reminders and help	
	properly sort their waste.	
	The WasteWise app includes a number of features and	
	functions to help you manage your waste:	
	-New collection schedules for 2024/25 are already	
	available for residents receiving curbside cart collection,	
	and include all garbage, food scraps, recycling and yard waste collection days.	
	-Automatic reminders of upcoming waste collection	
	through notifications of your choice.	
	-Direct service alerts - ranging from upcoming Big Bin	
	Event schedules to potential collection delays during	
	inclement weather - which provide the most effective,	
	efficient and direct way to receive waste-related	
	information.	
	-A catalogue of items and a search function so you can	
	type in items and find out the proper disposal stream.	
	WasteWise is available in a number of different languages,	
	is easy to use and convenient to download!	
News and	Happy New Year from the District Planning project	For more information visit:
Updates	team!	edmonton.ca/districtplannin
	Here is an overview of the project's next steps in 2024:	
	- January to March: Analyze engagement feedback and	
	make changes to the district plans	
	- April: Share the What We Heard Report and final draft	
	District Policy and plans (<u>edmonton.ca/districtplanning</u>)	
	- Early May: Begin advertising in advance of public hearing	
	- May 28 to 30: Present bylaws to adopt district plans and	
	repeal or amend other geographic plans to City Council	
	public hearing	
	- June to late summer: Submit district plans to the	
	Edmonton Metropolitan Region Board for review	
	- Late summer to early fall: Present the plans for third	
	reading (official adoption) by City Council at a regular City Council meeting	

If approved, district plans will begin informing planning decisions in the fall. Questions about how district plans may affect a current or future Land Development Application should be directed to your Neighbourhood Planner.

Funding Opportunities

The City of Edmonton's Capital City Clean Up (CCCU) program is pleased to be offering the Community Mural Grant again this year. Applications are now open:

Community Mural Grant

The Community Mural Grant is open to non-profit organizations, licensed businesses and community leagues who want to beautify their neighbourhood through a mural creation. Applicants can apply for up to \$8,000 in funding on a matched-funding basis. Applicants must contribute 25 per cent of the total requested funding. Funds must be matched through financial, donation, or inkind contributions. Grant funds can be used for consultations, artist services, paint supplies, anti-graffiti coating or other needs associated with the creation and installation of a mural.

Murals are an important form of public art that can have a profound and positive impact on a city and its well-being. They help transform spaces, encourage people to engage with their environment, shape a community's identity and deter graffiti vandalism. Since the program's inception in 2011, CCCU has funded more than 70 murals.

Applications opened March 1, 2024 and will be accepted until May 15, 2024 at 11:59 p.m. Due to high demand and limited funding, grants are awarded to applications that score the highest based on several factors including mural vision, project timeline, community engagement and collaboration, project alignment and scope, mural

	Community Clean Up Grant	
	The Community Clean Up Grant provides funds to	
	community leagues, non-profit organizations and business	
	associations for the purpose of conducting waste and/or	
	litter removal projects in their communities. Applicants can	
	apply for up to \$1,000 in reimbursed funds by hosting a	
	clean up event that features a reuse component (such as	
	the collection of donations).	
	By participating in a community clean up event, citizens are contributing to a greener and safer Edmonton. In 2023, participants under this grant reported approximately 179,000 kilograms of waste collected in their communities and 24,000 kilograms of waste diverted from landfills through donations and other reuse efforts.	
	Applications opened March 1, 2024 and will be accepted until September 30, 2024 at 11:59 p.m., or until the program is fully subscribed.
