### **Keep Neighbouring**

As a reminder, our Neighbourhoods Services Section is distributing a Keep Neighbouring Newsletter. This replaces the monthly NRC report. If you haven't already done so, you can subscribe [here](#).

### **Community Bin Grant**

Each spring, community groups can apply for help to get rid of any large, bulky items cluttering up the back alleys, streets or other areas in their neighbourhoods. The Community Bin Grant program is now accepting [applications for 2021](#). Under the Community Bin Grant Program, the City offers funds on a first-come, first-served basis that can be used for bin rentals (including the truck, driver and disposal costs) and truck rentals to drive through the area and collect large items. See [Program Guidelines](#) for more details.
