Prince Rupert Specific Items	<p>SeaCan Project Proposal Follow up.</p> <ul style="list-style-type: none"> Project Proposal Assessment coming in the next few days. There is some considerations around requirements for a permanent approval vs. a temporary. It might be advantageous to proceed as a temporary project and plan to move it closer to the building post construction in terms of process simplicity and costs. I'll connect with building committee specifically once the Project Proposal Assessment is received. <p>Traffic Concerns</p> <ul style="list-style-type: none"> I have forwarded concerns and am working on the best contact from transportation that can take a more wholistic view of the community rather than "band aid-ing" specific locations. <p>Building Project</p> <ul style="list-style-type: none"> Concept approval complete, Rachel is sending draft of Municipal agreement for next phase. <p>CLIP Update</p> <ul style="list-style-type: none"> Still waiting for grant to open. Not sure why the delay, but will let you know as soon as it is open. <p>Kingsway Ave</p> <ul style="list-style-type: none"> Apparently the are plans to redevelop Kingsway in 5 years. May be an opportunity to address some traffic items.
